Statement of Inclusivity

On behalf of Science Atlantic, we are delighted to welcome you to this year's Aquaculture & Fisheries and Biology Conference at Crandall University, Moncton, New Brunswick!

Science Atlantic and its Membership are committed to assisting students in developing and promoting their research skills, providing students with valuable opportunities to showcase these skills, and delivering activities in a context of diversity and inclusivity. Science Atlantic, conference organizers, and Insert Name of University aim to foster a conference environment where all attendees feel comfortable, safe, and welcome.

This agreement serves as a commitment by all parties to supporting Science Atlantic's Code of Conduct and Student Support Policy. These policies help to ensure that all Science Atlantic events are supportive of all attendees regardless of religious belief, colour, gender, mental or physical disability, marital status, education level, ancestry, age, place of origin, family status, source of income, or sexual orientation. For more information regarding policies, please visit the Science Atlantic Policy Page (scienceatlantic.ca/about/policies).

Science Atlantic seeks to support each student in achieving their potential. As such, the Science Atlantic Membership will encourage and support student participation in Science Atlantic conferences and will make every effort to ensure these events are a welcoming environment for all.

Have a wonderful conference!

Sincerely,

Lois Whitehead
