Research Seminar by
Dr. Veronica Whitford
Assistant Professor,
Department of Psychology
University New Brunswick
Date: Thursday, March 12, 2020
Time: 4:00 P.M.
Room: Loyola Room 296

Saint Mary’s University
Halifax, NS

Dr. Veronica Whitford is an Assistant Professor and Canada Research Chair in the Psychology Department at the University of New Brunswick. She obtained her PhD in Experimental Psychology from McGill University. She then completed two postdoctoral fellowships in Developmental Cognitive Neuroscience: the first at the University of Western Ontario and the second at the Massachusetts Institute of Technology and Harvard University.

Her research focuses on the behavioral and neural correlates of reading in children and adults with diverse language and cognitive backgrounds.
